VOL. XI, NO. 35

REGISTRATION FOR ARMY SERVICE NEXT TUESDAY THROUGHOUT THE NATION

Next Tuesday, June 5, is the day set apart by the President's proclamation for Army registration day.

All male persons between the ages of 21 and 30 years, both inclusive, are required to present themselves at the designated places for registration.

No exceptions are made, the call applying to aliens as well as citizens, and even to those of known and obvious physical disability for army service. Imprisonment is the penalty for those who willfully refuse to obey the law regarding registration.

Where to Register

Sierra Madre has been divided according to election precincts and the places of registration are the same as the usual polling places. The places and registration officials have been designated as follows by the county registrar:

Precinct No. 1 (North of Highland and west of Baldwin)—place, Sierra Madre Inn, 225 N. Lima; officials, Henry J. Potter, Wm. A. Coffin.

Precinct No. 2 (south of Highland and west of Baldwin)—City Hall; officials, Carlyle C. McIntyre, L. E. Steinberger, E. F. Ballou.

Precinct No. 3 (all territory east of Baldwin)—Place, residence at 266 East Highland; officials, J. H. Wright, John Boyd, Miss Daisy E. Hawks.

Sick or Absent?

Men coming within the registration requirements who will be physically unable to present themselves for registration on the day appointed should write at once to the County Clerk, Los Angeles, making the fact known, and instructions will be sent from the clerk's office. The same applies to men who expect to be absent registration day.

Authorized Statement

Some misunderstanding regarding the registration are cleared up by the following statement authorized by the war department:

"Provost Marshal General E. H. Crowder finds that many confuse registration with draft. Each is a distinct process. Exemptions will be granted after draft and not before. Even convicts and alien enemies are obliged to register.

There is little difficulty in answering the questions which are asked in regard to registration, for there are no exceptions to the rule that all male persons in the United States between the ages of 21 and 30, inclusive, must register, except those already in the Federal military or naval service. It is impossible at present, however, to answer most questions in regard to exemptions, as the rules for exemption are only outlined in the selective draft bill and must in many cases be drawn by the President.

Provisions for Registration

"The selective service bill and the President's proclamation, in pursuance thereof, provide for the registration on June 5, 1917, of all male persons who on that date have attained their twenty-first birthday and shall not have attained their thirty-first birthday, except in persons in the military or naval service of the United States, which includes all officers and enlisted men of the Regular Army, the Navy, the Marine Corps, and the National Guard and Naval Militia while in the service of the United States,

and Officers' Reserve Corps and enlisted men in Enlisted Reserve Corps while in active service.

"From the lists of persons so registered names will subsequently be drawn by lot by the fairest system that can be devised. Persons whose names are drawn and other persons interested will be given an opportunity to present claims for exemption, exclusion, or discharge from the draft and to support such claims by evidence.

Boards to Grant Exemptions

"The determination of whether a particular claim for exemption, exclusion, or discharge shall be granted will be made by boards to be appointed by the President. These boards will function under the law and under regulations prescribed by the President. The only regulations that have yet been prescribed are those governing the registration alone. The determination of exemptions, exclusions, and discharges is a second step quite separate from the registration.

"Regulations governing the determination of exemptions, exclusions, and discharges will, when promulgated, be made available to all concerned at the offices of the local boards. Until such regulations have been promulgated further information can not be given as it might later prove misleading; and even after the regulations have been made public decisions concerning exemption, exclusions, or discharges in individual cases shall be heard and determined by the boards to be established for that purpose."

SUPERVISOR HAMILTON THANKS HIS FRIENDS

Expressions of Confidence Are Appreciated in Trying Ordeal

To the People of Los Angeles County:

I sincerely thank the many citizens of Los Angeles city and county who have sent by mail and otherwise messages expressing their confidence in my integrity and their sympathy with me in the long, hard fight I have made against graft, incompetency and unbusinesslike methods in county government.

While I feel outraged at the evident political conspiracy which aims to relieve those who have controlled the county during the past two years from responsibility for present conditions and to place the burden on the minority of the supervisors, I ask only that the friends of good government suspend judgment until cases are tried and the result announced.

All I ask is justice; and, knowing, from what such men as Judge Lindsey and Warden Osborne have had to submit to, that those who assail entrenched abuses must expect bitter warfare from the "dark forces" in control of affairs. I am willing to take my share of calumny and misrepresentation until the truth is known.

JOHN J. HAMILTON,
Chairman Board of Supervisors.

THE EPISCOPAL CHURCH

Church of the Ascension, the Rev. Dr. Geo. H. Cornell, Rector. Vested Choir. Trinity Sunday. Sunday School, 9:45. Sermon and Holy Communion 11 A. M. All are cordially invited.

CONTRACT IS LET FOR STREET WORK

Cummings Lowest Bidder on Improvement of West Alegria

W. S. Cummings was the lowest bidder on the paving of Alegria Avenue, between Sunny-side and Sierra Madre Avenue, and was accordingly awarded the contract at an adjourned meeting of the city trustees Wednesday evening. Engineer Bixby reported the bids of the three contractors to rank as follows for the complete job: W. S. Cummings, \$2760.54; J. Heim, \$3,551.82; Frank Moir, \$3552.82.

More Trees Out

The board ordered the removal of several more trees from streets about the city. The trees affected are five oaks on Live Oak Ave., between Baldwin and Sierra Madre Ave., one eucalyptus at Live Oak and Hermosa and a pepper at Park and Ramona. Mr. Evans was also granted permission to remove a small pepper at the junction of Central Ave., and an alley running past his place.

Alegria Grade

Official grades for the portion of Alegria Avenue Between Baldwin and Auburn are established by Ord. No. 222 which passed and is published in this issue of the News.

Clerk's Bond

Ordinance No. 224 fixing the bond of the city clerk at \$1,000, was passed.

Nurse's Salary

A resolution was adopted establishing the salary of the municipal nurse at \$90 monthly, including expenses. The committee having the filling of the vacancy under consideration asked for more time so no action was taken on applications.

MEMORIAL EXERCISES IN SIERRA MADRE

Interesting Memorial exercises were held at the public school on Tuesday. A dozen veterans of the Civil War, one of the Mexican and one of the Spanish war were present. Some of the veterans gave brief addresses as the various rooms were visited.

Through the kindness of Prof. Maltbie and the children an auto was provided to take the visitors to and from the school. In the domestic science rooms Mrs. Miller's pupils provided delicious refreshments. As they left the visitors were laden with flowers which the children had brought for them. The children rendered a number of patriotic songs in which they showed the result of careful training.

In a written communication to the News, Captain Osgood expresses the heartfelt thanks of himself and comrades to the teachers and pupils for the kindness shown them.

A. C. OF C. MEETING IS POSTPONED

The June meeting of the Associated Chambers of Commerce will be held at Claremont on Tuesday evening, June 12. The meeting is held one week later than usual on account of the regular date falling on registration day. It is expected there will be a large delegation from Sierra Madre.

COL. A. B. SHAW ON FORESTRY BOARD

Col. A. B. Shaw of Swastika Ranch at Sierra Madre Villa has been appointed by the county forestry board. The selection was made upon recommendation of Chairman Hamilton and the appointee will succeed J. L. Mathews of Covina.

OFFICERS ELECTED FOR CLUB YEAR

Mrs. W. E. Walker Head of the Woman's Club—Musical Program is Enjoyed

Officers were elected for the club year 1917-1918 at Monday's meeting of the Woman's Club. Only one ticket was presented by the nominating committee, and there was no contest. The following were elected:

President—Mrs. W. E. Walker.

Vice President—Mrs. Frank Hart.

Corresponding Sec.—Mrs. W. S. Andrews.

Recording Sec.—Mrs. W. R. Lees.

Treasurer—Mrs. L. N. Legendre.

Directors—Mrs. J. C. Dickson, Mrs. Robert Mitchell, Mrs. G. F. Ferris and Mrs. P. Rhodes.

Musical Program

The meeting of the club was largely attended. After the reading of the minutes of the previous meeting and reports from various one of the committee on public affairs, a delightful musical program was presented by Mrs. Mabel Lewis Case and pupils. Miss Irene Zeller sang several songs among them were two songs of Mrs. Case's composition. She was accompanied by the composer. The piano selections by Miss Ethel Brocklinger and Miss Eunice Haskins were also received with every indication of approval.

The talk on birds by Mrs. L. N. Legendre was short but to the point, and was in the form of a petition for the making of Lake Klamath a reservation for the preservation of birds. Lake Klamath is situated in Northern California, and has been the drinking and nesting place for millions of birds for many years. A few people who might be benefited have asked permission from the government to fill in this lake which is fifteen miles long, and use it for agriculture purposes, and by so doing millions of birds will be destroyed, and so bird-lovers have resented this and have presented this petition to be signed. All of the ladies who were present at this meeting gladly signed their names. Refreshments and a social hour closed a very pleasant session.

FREE AUTO MAPS TO HIGH SIERRAS

Government Map Shows How to Reach Yosemite and Big Trees

The News has just received from the Department of the Interior or outline maps showing auto roads and all necessary information for reaching the Yosemite National Park, Sequoia and General Grant National Parks and vicinity, just issued by the National Park Service. This map shows the roads tributary to these parks as well as the trails extending from them into the Greater Sequoia country in the basin of Kings River. On the back is a small map showing the principal automobile roads of California that connect or are tributary to the national parks. Any tourist intending to visit the Sequoia or General Grant Park may obtain the automobile map and regulations free of charge by addressing the National Park Service, Washington D. C.

The regular business meeting of the Ladies' Aid Society of the Congregational Church will meet Tuesday June 5th at the church at the usual hour.

HOME TALENT PERFORMANCE OF "THE MIKADO" FOR AID OF RED CROSS TONIGHT

The long awaited performance of "The Mikado" will be given this evening for the first time at the club house. After arduous preparation under the skillful direction of Miss Marjorie Maughlin, the cast is said to have attained a degree of excellence which promises a most successful performance. The orchestra is under the direction of Miss Lalla Fagge, which is sufficient guarantee of satisfactory instrumental music.

All who have seen rehearsals declare the performance will be one which no one can afford to miss. Mr. Argyle Tully, brother of Richard Walton Tully, the playwright, brings to the lead-

ing part a fine voice and years of professional experience. It is a long time since the fine voice of Mrs. Marjorie Rice Ashmore has been heard in public performance. The work of J. N. Hawks in character parts is well known and—but there is no use reviewing the opera in advance. Go and hear it.

Incidentally, when you buy your tickets you will be doing a bit toward support of the Red Cross work in Sierra Madre. The "Mikado" is given under the auspices of the Girl's Friendly Society and the proceeds will go to the vitally important work of the local chapter.

The complete cast for the performance follows:

The Mikado of Japan.....	Argyle Tully
Nanki Poo.....	{ His son, disguised as a wandering minstrel in love with Yum Yum }.....Charles Hall Perry
Ko-Ko—Lord High Executioner of Japan.....	James N. Hawks
Pooh Bah—Lord High Everything Else.....	Edward Ganster
Pish Tush—A Noble Lord.....	Frederic P. Sperry
Yum Yum.....	{ Three sisters and wards of Ko-Ko }.....Elsa Krafft
Pitti Sing.....	Marjorie Rice Ashmore
Peep Bo.....	Yerda Appleby
Katisha.....	{ An elderly lady in love with Nanki Poo }.....Mrs. James Hawks

BALDWIN RANCH OPEN TO VISITORS SUNDAY

Admission Will Be Charged For Benefit of Red Star Society

A public reception will be held at the Baldwin Ranch June 3 by Mrs. Anita M. Baldwin for the Benefit of the Red Star, the humane society for the care of animals injured in the war. Mrs. Anita Baldwin will officiate as hostess and will welcome all her friends to the ranch.

A charge of 25 cents per person is to be made for all visitors at the beautiful Sierra Madre home. This is the first time that the ranch has been thrown open to the public, for in the past only those who were fortunate enough to obtain admission cards were allowed to see the beautiful place.

All of the famous horses in the Santa Anita Stables and the blooded dogs in the kennels will be on exhibition. The rare peacocks and other birds can be seen by the visitors, along with the other birds and animals and animals owned by Mrs. Baldwin.

EXTRA CAR FOR MOUNTAIN HIKERS

For the accommodation of mountain hikers the Pacific Electric has announced an extra car for Sunday evenings only leaving Sierra Madre at 8:11 p. m., for Los Angeles. The car was put into operation last Sunday and will be operated until June as a tryout, according to information received by camp managers, and if sufficiently patronized it will be continued thru the summer months.

Mrs. W. J. Lawless, Mrs. E. C. Carhart and Miss Alice Weaver were luncheon guests today of Mr. and Mrs. F. P. Sperry.

JAPANESE JOINING RED CROSS CHAPTER

Thirty-five Local Subjects of Mikado Doing Their Bit

Membership in the Sierra Madre chapter of the American Red Cross received a substantial boost this week when K. Kashitani, president of the Japanese Association headed in the names of thirty-five of his countrymen with contributions of \$1.25 each, a total of \$43.75. This brings the chapter membership to 354. The names are:

K. Kashitani, K. Matsumoto, T. Sugitate, I. Takagi, J. Miyaki, S. Nakagawa, T. Higashi, T. Naramura, Y. Hongo, Y. Ishiwata, H. Ego, S. Oka, Y. Yamaga, K. Sasaki, K. Yokoyama, T. Hamane, K. HERE AT HOME

Mrs. J. C. Crichton of El Paso, Texas is the house guest of Mrs. S. G. Harless this week.

Mr. and Mrs. T. F. Rogers of Santa Anita Rancho left last week for Pasadena where they will make their home.

Mr. and Mrs. F. H. Kent of South Pasadena will be dinner guests of Mr. and Mrs. F. P. Sperry this evening and later attend the comic opera "Mikado" at the club house.

Mrs. F. L. Kelley of 273 W. Mariposa entertained sixteen members of the Ladies' Auxiliary of the Lamanda Park Board of Trade, Friday afternoon, June first. Decorations were carried out in green and yellow.

A jolly crowd of picnickers motored to Seal Beach on Wednesday and spent the day. The party included Mr. and Mrs. C. W. Jones, Virginia Jones, Mrs. Holland, Dr. and Mrs. R. H. Mackerras and family, Mr. and Mrs. J. D. Mackerras, Mr. and Mrs. T. M. Webster and family, Mrs. Hawxhurst, Mrs. H. I. Hawxhurst and Mr. and Mrs. W. S. Hull and family.

Mrs. R. A. Hopkins was the hostess at a delightful luncheon at her home on Tuesday. Table decorations were in yellow and five babies added interest to the event. The guests included Mrs. S. L. Blachley of Pasadena, Mrs. C. H. Thornburg and Mrs. Redman of San Fernando, Mrs. Innis Kinney of Villa, Mrs. D. C. Ashmore, Mrs. Howard Hill and Mrs. George B. Morgridge.

One of the most delightful affairs of last week was the afternoon tea given by Miss Lillian Moore at the Red Cross rooms last Saturday. American flags

with red, white and blue flowers and the flags of the Allies were used effectively in the decorations. The afternoon was pleasantly spent sewing for the Red Cross after which delicious refreshments were served.

Miss Helene Seeley entertained about twenty-five of her friends last Saturday in the parlors of the Woman's Club House. The rooms were prettily decorated with ferns and roses. Dancing and games were enjoyed during the afternoon.

Miss Verna Tribble spent last week end at Whittier as the guest of Miss Mabel Hull. On Sunday Mr. and Mrs. I. L. Tribble and Mr. John Tribble motored to Whittier and were present at a family reunion and picnic in Central Park.

Mrs. H. T. Fennel and Mrs. W. J. Saunders were among the guests at a delightful luncheon and lawn party on Thursday given by Mrs. Samuel Storrow of Pasadena for the members of the Ruskin Art Club.

Mr. and Mrs. George B. Morgridge had as guests for Sunday Prof. and Mrs. John S. Malcolm of Anaheim, Dr. and Mrs. E. E. Burke of Los Angeles and Mr. and Mrs. Albert Schinneller of Whittier.

The Misses Edith and Harriet Ferguson left on Tuesday for their home in Defiance, Iowa, after spending more than a year in Sierra Madre.

The Dickens Fellowship will meet with Miss Thomasella Graham at her home "Italia Mia" Wednesday, June 6th at 2:30.

Mr. Bronaugh of Long Beach is spending a few days this week at his bungalow on East Algeria.

HOME GUARDS CALL FOR MORE MEMBERS

During the past few weeks so many of the boys of the Home Guards have enlisted in volunteer branches of the military or naval service that the guards have been sadly depleted. An urgent invitation is made by the officers for more men to fill the vacancies.

Drill was held Thursday night with two squads present. Lieutenant Whitworth in charge put them through the manual.

Last Sunday several of the members engaged in rifle practice at 500 yd. range. Some very good scores were reported considering that some had never used high power guns before. This Sunday morning another practice shoot will take place. Bring your gun and ammunition and be at the City Hall at 9:00 o'clock.

SOUTH AFRICA IS LECTURE TOPIC

Miss Caroline E. Waite, who has for the past six months been a most efficient worker in the Congregational Sunday School has been called to a position as Superintendent of Women in a Bible Training School near Binghamton, New York.

Miss Waite has spent fourteen years training missionaries in South Africa. She has kindly consented to give a lecture on Friday June 8th, 7:30 p. m. in the Congregational Church on South Africa, its geography, history and missions, especially those of the Dutch Reformed Church. She will use a map and possibly pictures. We urge all to attend, especially the young people.

The lecture will be given under the auspices of the Sunday School and Ladies Auxilliary.

WHY ONE LETTER IS NOT PRINTED

The News has received from a friend a letter explaining that she refused to sign a certain petition because she wished to take time to investigate the question involved. The letter then goes on to detail the result of the investigation. The petition having been presented and action taken by the city trustees some time ago there seems to be no good reason at present for reopening the argument, especially in view of the fact that determination of the questions involved seems to lie now with the courts and the News has no desire to follow the Los Angeles custom of trying cases in the papers rather than by judicial process.

Liberty Loan

America is Calling for Financial Volunteers

THAT AMERICA may strike the winning blows for the freedom and democracy of the world, your Government calls today for financial volunteers.

You who wish to see the war ended quickly—you who desire the prosperity and safety of American business—to you Uncle Sam offers today the opportunity to make the best financial and patriotic investment of your life.

To you the Secretary of the Treasury says: "The greatest immediate service the American people can render in this War for universal liberty throughout the world is to furnish the means for its vigorous prosecution. This bond issue is the first step. I earnestly bespeak the co-operation of every citizen throughout the length and breadth of the land in this great service of patriotism."

You Do Not Spend; You Save

In asking you to subscribe to the Liberty Loan your Government is not asking you to spend your money. Instead, it holds out to you a splendid opportunity to **save and invest**.

When you invest in a Liberty Bond you get a signed promise backed by the **total resources** of the richest nation in the world—a wealth of 250 billion dollars.

How the Financial Volunteer Aids His Country

The Liberty Loan is to be used by our Government to purchase our products and materials for ourselves or our allies. **Not a dollar of this loan will leave this country or pay for other than American products.** The financial volunteer enables his country to market more American goods.

The Liberty Loan is going to quicken the pulse of American business. It will broaden the market for American goods. Every railroad, every mill and every factory, every mine, every farm, will be pushed to its utmost to meet the increased activity caused by the Government coming into the market as a buyer on the largest scale in history.

Your purchase of a Liberty Bond means more business for your Government, more business for you and your investment is the safest in the world.

3½ Per Cent Net Income

Liberty Bonds bear 3½ per cent interest, payable semi-annually Decem-

ber 15th and June 15th. Our Government has made these bonds exempt from all taxes, except inheritance and estate taxes, so that they yield an absolutely **net income** of 3½ per cent.

If before the end of the war, Government bonds bearing higher interest should be issued, you can exchange your Liberty Bonds for them.

Bonds As Small As \$50

These bonds have been purposely made in multiples of \$50 so that every one might have this opportunity to become a Government Bond Holder. Liberty Loan Bonds mature in 30 years and are redeemable in 15 years. Bonds in multiples of \$100 may be registered, so that the income comes to you automatically.

The Ideal Investment

Liberty Bonds combine the three requirements of an ideal investment to the greatest degree known—**Safety, Marketability and Return.**

Safety—The wealth of the United States is estimated at 250 billion dollars—**over 80 times our total National debt** (including this issue of Liberty Bonds). The annual income of the United States is estimated at about 400 times the annual interest charges on our total debt.

Marketability—United States Government bonds have always had a broad and ready market. No other bonds enjoy so immediate a market if you care to sell. Any bank will loan money on these bonds.

Return—The interest rate starts at 3½ per cent per year (\$3.50 on a \$100 bond). Considering the safety and salability of these bonds, the net return of 3½ per cent free of all taxes, except estate and inheritance taxes, is certainly an ample return.

Believing that it is the wish of this country to have this opportunity to invest and receive interest for the financial support they give in this war, rather than to carry the entire amount by taxation, your Government is offering you this chance today. This is a solid business proposition—a chance to invest in the best security in the world while at the same time performing as patriotic an act as you can do.

Be a Government Bond Holder in the greatest war of liberation the world has ever known.

MORE ABOUT IRRIGATION OF VEGETABLE GARDENS

Various Methods Useful Under
Local Soil and Climatic
Conditions

(Continued from Last Week)

Sprinkling or Overhead Irrigation

To irrigate by sprinkling is such a common everyday occurrence that it would seem almost a waste of time to take it up yet, considering the amount of it done there is less thought or consideration given to it than should be.

We will take up the ground sprinkler first, get a string of hose, tie it to the faucet and watch it work.

Perhaps the man who is trying to sell it to you is watching too. He strikes a splendid attitude as he pats you on the back and says, "Look at that, say, it spreads it as even as a coat of paint," and maybe he thinks it does, but let us try a little experiment on our own account.

Shut off the water, then lay the sprinkler on the drive-way where it is dry, now turn the water on for just a moment, then shut it off.

Now in most cases you will find practically a dry place near the sprinkler and for a short ways out, then it gets wetter until about there-fourths the way out, then gradually diminishes to the edge. Try it some time.

It is practically impossible to get an even distribution of water by using a round sprinkler whether singly or in groups, yet it is the best we can do.

When there are obstructions such as trees or bushes it is much harder to do a good job and still more difficult to give everything a sufficient amount without wasting a lot of water.

When sprinklers are used exclusively very few trees or bushes have a good deep root system as sprinkling puts most of the water on the outside of the foliage line and especially is this true of those having heavy close foliage.

During the hot dry weather nearly all leaves are protected from the sun's heat by a coating of particles, dust, lint, and when the sprinkler is used it washes this off leaving their foliage exposed to the direct rays of the sun which will surely burn it more or less.

When a sprinkler must be used to irrigate trees or bushes it is well to remember that the finer the spray the more water will adhere to the leaves and stems and be more or less wasted, while the coarser the spray or drops the less will be captured by the foliage and in consequence will get to the ground and do good.

One of the most successful ways to waste water is to force it through a sprinkler so rapidly that it will cause it to form a very fine spray, or mist, or, as it is sometimes called, fogging.

A large amount of water treated in this way is immediately carried off by the atmosphere, while, that which is held by the foliage soon follows after the water is turned off.

Window Boxes

The most successful way that I have found to water window boxes is to take a flower pot and put it on several of them, according to the size of the box, down into the dirt until just the rim is out, then fill with sand.

"BETTER BABIES"

You hear this expression every day. Do you really look ahead and think of baby's ultimate health? Why wait until you are compelled to seek a food that agrees with the child? Most every physician and "grandmother" will advise you to get "goat milk" when all other foods fail. Why wait? The ultimate health of your child is assured by the use of goat's milk from the start.

Ordinance No. 224

An Ordinance of the Board of Trustees of the City of Sierra Madre Amending No. 152 of the Ordinances of the City of Sierra Madre, Fixing the Bond of the City Clerk by Amending Section 5 Thereof.

The Board of Trustees of the City of Sierra Madre do ordain as follows: Section 1. That Section 5 of No. 152 of the Ordinances of the City of Sierra Madre be amended to read as follows:

"Section 5. Each of the officials herein named shall, on entering their respective duties, execute a bond, payable to the City, conditioned for the faithful performance of their respective duties in the following penal sums, to-wit:

The City Clerk in the sum of One Thousand (\$1000.00) Dollars.

The City Treasurer in the sum of Ten Thousand (\$10,000.00) Dollars.

The City Marshal and License Collector in the sum of Five Hundred (\$500.00) Dollars."

Section 2. The City Clerk shall certify the adoption of this Ordinance and shall cause the same to be published once in the "Sierra Madre News" a weekly newspaper, published and circulated in the City of Sierra Madre, hereby designated for that purpose, and from and after thirty (30) days from the publication thereof, it shall take effect and be in force.

The foregoing Ordinance was adopted at an adjourned meeting of the Board of Trustees of the City of Sierra Madre held on the 29th day of May, 1917, by the affirmative vote of at least three (3) Trustees, to-wit:

Ayes: Trustees Caskey, Evans, Nourse and Dietz.

Noes: None.

Absent: Trustee Sperry.

Signed and approved this 29th day of May, 1917.

WAR RELIEF WORK CONFERENCE SUBJECT

Plans for war relief work on a scale proportionate to the part to be taken by the United States in the great war were discussed at a conference held at the Alexandria Hotel on Thursday. Representatives of a large number of organizations were present. Sierra Madre was represented by Dr. R. H. Mackerras, Mrs. M. D. Welscher and Miss Lillian Moore for the Red Cross chapter, C. W. Jones for the Board of Trade and Mayor Louis Dietz for the city.

The principals of the "Mikado" cast will be entertained by Mr. and Mrs. F. P. Sperry after the performance on Saturday.

MICHELIN

Notice the curve in which Michelin Tubes Naturally Hang

INSTEAD of being simply a piece of straight tubing cemented at the ends, the Michelin Tube is formed on a circular mandrel in the shape of the inside of the casing. Thus when inflated it is neither stretched on its outer side nor compressed into destructive wrinkles next to the rim. This perfect fit gives the Michelin Tube greater durability and practically eliminates danger of pinching the tube.

Notice of Award of Contract

Pursuant to statutes and to Resolution of Award No. 79 Alegria Avenue from Sierra Madre Avenue to Sunnyside Avenue, of the Board of Trustees of the City of Sierra Madre, adopted on the 29th day of May, A. D. 1917, directing this notice, Notice is hereby given that said Board of Trustees in open session on the 29th day of May, A. D. 1917, opened, examined and publically declared all sealed proposals or bids offered for the following work to-wit:

SECTION 1. That Alegria Avenue from the easterly line of Sierra Madre Avenue to the westerly line of Sunnyside Avenue in the City of Sierra Madre be graded to the official grade and the roadway thereof oiled according to specifications No. 21, specifications for grading and oiling streets in the City of Sierra Madre, and on file with the City Clerk of said City.

SECTION 2. That cement curbs be constructed along the northerly and southerly curb lines or said Alegria Avenue from the easterly line of Sierra Madre Avenue a distance of five hundred and ninety feet more or less easterly of said easterly line of Sierra Madre Avenue, curving around the northeast corner and the southeast corner of the intersection of Alegria Avenue and Sierra Madre Avenue to the north and south property lines produced respectively on Alegria Avenue, said curbs to be constructed according to specifications No. 2 for cement curbs and on file in the office of the City Clerk of the City of Sierra Madre.

SECTION 3. That a cement gutter 30 inches wide be constructed along the northerly curb line of said Alegria Avenue from the east line of Sierra Madre Avenue to a point 590 feet more or less easterly of the east line of said Sierra Madre Avenue, and that a cement gutter 18 inches wide be constructed along the southerly curb line of Alegria Avenue from the east line of Sierra Madre Avenue to a point 590 feet more or less easterly of the east line of said Sierra Madre Avenue, said gutters to be installed in accordance with specifications No. 8 for the construction of cement gutters and on file in the office of the City Clerk of said City.

SECTION 4. That a re-inforced concrete Culvert No. 35 be constructed across the termination of Alegria Avenue in Sierra Madre Avenue from the north curb return to the south curb return thereof.

That a re-inforced concrete Culvert No. 36 with end walls and inlets be constructed across Alegria Avenue at a distance 580 feet more or less east of the east line of Sierra Madre Avenue, said concrete culverts to be installed in accordance with specifications No. 12 for the construction of Concrete cross-boxes on file with the City Clerk of said City.

All of the herein proposed work shall be done in pursuance of an act of the legislature of the state of California, entitled "An act to provide for work upon streets, lanes, alleys, courts, places and sidewalks, and for the construction of sewers within municipalities," approved March 18, 1885, and the several acts amendatory thereof or supplementary thereto; also in accordance with the profiles, plans and cross-sections of Alegria Avenue from Sierra Madre Avenue to Sunnyside Avenue adopted by the Board of Trustees of the City of Sierra Madre the 26th day of February, 1917.

It is hereby determined, in pursuance of an act of the legislature of the state of California, per annum, payable semi-annually, by coupon, on the second day of February, "An act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvement within municipalities, and also for the payment of such bonds," approved February 27, 1893, as thereafter amended, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years, an even proportion of the principal sum of which shall be payable annually, on the second day of January of each year till the whole are paid, and to

bear interest at the rate of six per cent each and every year.

And thereafter, to-wit, on the 29th day of May, A. D. 1917, said Board of Trustees awarded the contract for said work to the lowest regular responsible bidder, to-wit:

M. S. Cummings, at the prices named in his bid. Grading and Oiling \$1.08 per lineal foot, curb 38¢ per lineal foot, gutter 18¢ per square foot, Culvert No. 35 \$327, Culvert No. 36 \$493. Office of the City Clerk, May 31, 1917. (City Seal) E. F. BALLOU, City Clerk

IMMORTALITY ON A BIT OF IVORY

Emerson says the artist does his best work not in painting the features but the character of his subject, the interpretation of the soul within being the high aim of portraiture. What higher achievement is then possible for an artist than the production of a likeness truly lovely in the eyes of those by whom the original is most dearly loved?

Such is the achievement of Miss Ella Shepard Bush in a recently completed miniature of Elizabeth Hortense Morgridge, the baby of the editor's family. Those of Elizabeth's numerous friends who have seen the miniature pronounce it a most wonderful likeness both in form and color. Her proud parents feel that regardless of future changes of growth and development they now have a permanent image of her babyhood.

Miss Bush has caught in the miniature a characteristic contemplative mood. It is the look which makes the beholder of baby eyes wonder if these little ones are not closer to the mysteries of life than we grownups—the "intimation of immortality" which Wordsworth ascribes to them alone. It is hardly too much to say that Miss Bush has not only painted a remarkable portrait but has put on ivory a wonderful idealization of babyhood.

MAKE YOUR FLAG COUNT

Don't forget to keep a flag flying where people can see it. But don't stop there—remember that a flag in the heart is worth two on a pole.

NOT FAILURE BUT LOW AIM IS WRONG

No man ought to be convinced by anything short of assiduous and long continued labors, issuing in absolute failure, that he is not meant to do much for the honor of God and the good of mankind.—Thomas Fowell Buxton.

HELP WHICH COUNTS

Two men have come to notice in Sierra Madre who are so firmly convinced of the patriotic obligation of every citizen to help out the Liberty Loan that they are borrowing money to do it. Each has bought a bond with the idea of putting it up as security for a loan on which he will pay 7 per cent interest. They figure that they can afford to pay the difference of \$3.50 a year in interest for the sake of having a hand in the great cause, even though not having ready cash to buy the bond outright. That is the spirit which wins.

HOW THINGS WOULD CHANGE

If beauty of form and beauty of spirit were apportioned alike to humanity, what a change there would be in some who are outwardly beautiful, and how beautiful would be some who may appear less fortunate.

NEW THOUGHT AND MODERN CHRISTIANS

Interesting Interpretation of the Relation by Dr. J. M. Campbell

Timely and interesting is a new book from the pen of Dr. James M. Campbell which is just off the press of the Thomas Y. Crowell Co. The title is "New Thought Christianized." It is a scholarly treatment of a subject of current interest.

Many conservative members of established denominations have wondered if they were not missing something which had been revealed through the newer cults. Dr. Campbell contends that Christian doctrine, rightly interpreted, omits no essential. The publisher's announcement says:

An attempt to define new Thought in the terms of Christ's teaching is the underlying idea behind this practical little book. The author points out that, too often, the exponents of New Thought lose sight of the im-

mense influence of Christ and his teachings, in the effort to show that they are indeed following after the latest discoveries in the realm of mentality. As a matter of fact, the teachings of Christ, when applied one after the other, may be found to fit our modern problems no less closely than they did those of Palestine, two centuries ago.

This is the keynote of Dr. Campbell's contention, which he clearly and logically sets forth. Take for example, he says, the fundamental doctrine of New Thought,—affirmation. In the teaching of Jesus, affirmation played an important part. He seldom reasoned; he affirmed; he declared. His seven "I am's," in which he discloses his real selfhood, are seven personal affirmations. He himself was God's great affirmation. "In him was yea"—the full and final affirmation of God touching things spiritual and eternal.

"TARA GWIN" UNFERMENTED TABLE WINE

The greatest non-alcoholic reconstructive stimulant, blood-maker and tissue-builder. The brain and nerve food for the young and old. TARA GWIN is recommended by many leading physicians, and is used in conjunction with the St. Luke's system of treatment for tuberculosis, for which the discoverer received the thanks of the late King Edward VII. TARA GWIN gives greater power of resistance against disease and the effects of old age than any known tonic, and greatly increases the power of physical endurance. It is the stimulant for delicate young people, for men and women in middle life, and for all who wish to preserve health and vigor and beauty of youth. TARA GWIN is indispensable to athletes, tourists, and is the most valuable item in the camping kit.
